## 16TH CENTENARY

He was surrounded by peer pressure.  
He was filled with bad memories and broken dreams.  
He hated school.  
He was very passionate and lustful.  
He constantly struggled with his feelings for God.

He was St. Augustine and these were some of his early problems in life before his conversion. This year the Augustinians have celebrated Augustine's 1600th anniversary since his conversion in A.D. 386.

"St. Augustine is somebody we all can deal with. He was very human and gave in to a lot of things, but after his conversion he became a driving force in the church and the protection of the Christian faith," said Fr. Patrick Murphy, O.S.A., principal.

After his conversion, St. Augustine became a bishop and spent a lot of time resisting heretics. He, more than any other writer, defined Roman Catholic teaching on the Trinity.

*Confessions* is the famous autobiography written by St. Augustine in his latter years which goes into his struggles in life and the self-examination of the person and his soul.

"His emphasis on community life, the dedication of his followers and the sharing are the hallmarks of St. Augustine," said Fr. Reinhard Sternemann, chaplain.

St. Augustine died in A.D. 429 at the age of 75.

# STUDENT LIFE

## PRIDE ALIVE FOR 82 YEARS

We must be doing something right.

After 82 years, the Red and Blue of Claremont Ave. is still synonymous with spirit and pride.

Just two years ago, principal Fr. Pat Murphy was told that the Br. Rice Student Council had it in their list of goals to promote pride and spirit at their school just as it exists at Rita.

This year, Student Council officers were asked to help plan and produce a homecoming pep rally for Lourdes.

But we shouldn't care how much other schools try to imitate us. They just can't. Try to find a school that will get ten teachers on stage at a pep rally and 'get down' to James Brown's 'Living in America.' Throw in the principal, too!

Sure, other schools want to promote spirit, but say, "Hey, leave it up to the students. That's their job." In a way they're right but also wrong.

To be a family, as Rita is called, takes everybody. Everyone has a job to do. From the students to the faculty, the maintenance crew to the cafeteria staff. They all have their part in what makes life around Rita so special.

Since most of the teachers are alumni, they know how it is to be a student at a school with so much pride. They not only encourage spirit, but try to be a part of it again like they were when they were teenagers here.

And let's not forget the dances and concerts with major amounts of people shakin' the walls of the Mustang gym.

And all the sporting events, with 11 teams to cheer on. Some usually state ranked. Over 30 active clubs. Gym nights. Intramural games.

The opportunities are everywhere but you've got to know what to look for. And nothing shows it better than students in their daily routine. Students taking advantage of what 82 years of tradition has molded.

Enjoy

## THE CAFETERIA

Students spend as much time here as any of their classes. Every student from his freshman through junior year will eat in this cafeteria every day.

It's five rooms contain the hard work of the faculty, volunteers, and parents. Most of the work goes unnoticed. Cleaning the lunchrooms is also performed by willing students who serve lunchroom jugs out of the kindness of their heart.

It is also a place of many lasting memories. Most students may still remember the first time as freshman when they willingly gave their seat to a persuasive senior who wanted to eat his lunch at his favorite table. It is a tradition that is still continued. They remember all the times that they lost fifty cents to a Sun-Glo machine and they also remember all the times they traded Mom's sandwiches for someone else's cookies.

The cafeteria is also the location of Rita's own business world. It is a place where bus tokens are sold to allow a student to buy a candy bar or some other snack. Loans are made to help a student who forgot his money at home, doesn't get paid until Friday, or feels a little bit hungrier than usual.

There are other things that the students will remember like the time they ran from their third or fourth period class to be the first person in the lunch line only to find someone who was dismissed from study hall early to be there ahead of them. They will also cherish the time when another student tried to cut ahead of them in line and the teacher yelled at the offender who was then banished to the end of the line. Students find it frustrating to wait for ten minutes in the sandwich line and learn that there are no submarines left.

# CHEEEZE!

No matter where they are, Rita men are never camera shy. Whether in the Stadium or flanking the steps of the gym or monastery, students always find the time to muster up a smile for the photographer. And not unlike politicians, these guys seem to like getting in the picture whenever the camera is around.

So smile. You're on Candid Cascan!

1. Seniors laughing at nothing. 2. Tony Altobelli, calm among total confusion. 3. Jay Barry dressed to kill!!

1. It takes a moment to think. 2. Beek's buddies. 3. Dan Egan takes another under his wing. 4. Who me?

# CLASSROOM ENVIRONMENT

1. Freshmen are always intrigued. 2. Father Murphy does what he does best.

1 | 2 |

St. Rita spirit is felt in the classes and halls of the school every day. In the halls, St. Rita pride is seen everywhere. News clippings of Rita achievements, athletes, and students hang on the walls, as well as posters and signs telling of up-coming Rita events. Above almost every doorway are signs designating the location of one of the many St. Rita clubs — another sign of Rita pride. At Homecoming the halls are filled with decorations supporting Rita athletics. There is certainly a great amount of Pride in the halls of St. Rita.

The same pride is present in the classroom. Both the physical makeup of the classroom and the atmosphere show it. Classrooms are filled with signs of homeroom pride along with Rita pride. Homecoming trophies and mission banners are just some examples. More importantly is the atmosphere that is present in every classroom. Inside the classroom students share a feeling of family unity — Rita family. The students share hardships and humor while learning not only English, math, and languages, but how to relate to people. Classes are more than just learning at Rita. Rita classes give off a comfortable home-like feeling that makes class tolerable.

Changing classes is always an experience to remember. Whenever 1350 students try to use the same stairway at the same time, you get a feeling of closeness that would better be forgotten.

1. Ken Moonan cages prom date. 2. The walk between classes is often pleasant. 3. Jose Campos contemplates life.

1. Kevin Paluch types GJ . . . GJ . . . GJ . . . 2. Father Ebrom rules with an iron hand! 3. Jim McCormack looks forward to another day. 4. Amjad Sweiss keeps his eye on three could-be hall intruders.

## HALFTIME SHOWS

What's the best thing that happens in the Stadium besides the Fighting Mustangs trouncing an opponent?

Well if your answer isn't the halftime show, then you haven't paid too much attention to the award-winning Marching Mustangs and Ritanettes.

The Rita marching band has come alive with second-year director Mr. Paul Windsor giving musicians a new, distinctive sound with snappier formations.

These new ideas led the Marching Mustangs to a second place finish at the Music Bowl, first place at Stagg High School and a clean-up of all the awards at the Shepherd High School competition.

The Ritanettes also took on a new look this year. The old "western style" uniforms were packed away and shorts and t-shirts were worn. Also, the sweat pants in the winter had to be considerably warmer than the skirts of the old outfit.

Looks didn't matter, though, with the Ritanettes winning the best color guard award at Shepherd and the rifles division of the Ritanettes winning first place at summer camp.

1. Cheerleaders enjoy Varsity Victory. 2. Ritanettes Impress the crowd. 3. Father's Club President Don Wojtowicz enjoys the game.

1. Marching Mustangs entertain the crowd at half time. 2. Drum Major Chris Maza, conducts the halftime show. 3. Ritanettes are always an inspiration to the crowd. 4. Mothers participate in halftime activities.

1. John Pfeffer shows interest in St. Xavier College. 2. Dan Frost checks out admission standards on Mini-College Day. 3. Mark Egan makes decisions for the future. 4. Rita students get serious about finding a college.

St. Rita Band Boosters bring Professional Wrestling to St. Rita High School. The wrestlers entertained a large crowd of rowdy Rita fans in the Mustang Gym. This is just one of the many events run by St. Rita's many clubs and organizations during the school year.

1. Alderman Edward Burke and City Clerk Walter Kozubowski speak at 15th Ward Democratic Day during half-time of football game. 2. Father Murphy introduces the "Spirit and Song" concert. 3. Michael Jensen and the St. Rita Marching Mustangs pay tribute to former band member Faron Wade. 4. St. Rita Blue shirts get ready to perform for pep rally crowd.

## BUMP OVER BOUNCE

Rita gym classes have taken a turn for the better. Forget about the old method of the coach throwing out a bunch of basketballs and letting students run around for 48 minutes. Coaches Jim Angsten and Jim Prunty have decided to teach Rita men the finer points of "power" volleyball.

Sure, it's boring the first couple weeks. Fifteen minutes of calisthenics then practicing "bumps" while your forearms turn red. Then it's time for the "set". But be careful a wrong "set" can lead to jammed fingers. Gradually you learn to serve, spike, block spikes, and play as a team.

The coaches usually stroll around the gym explaining rules as they are broken and deciding disputes from whether a ball was "in" or "out" to what happens if it hits the ceiling.

Volleyball is a good sport to learn because unlike basketball, one guy cannot dominate a team. All six players are needed and teamwork is a must. From Mr. All-American to Bill Bookworm, everyone has a good time and gets in on the action. And that's all in only one quarter!

For the next quarter, your gym class, depending on the size, packs into the weight room for the "high intensity" program Coach Woody Urchak stresses on his students. Confidence is what he tries to build, not letting any Rita man go below his potential. If a student can't bench press 150 pounds, Coach Urchak will personally spot him and give him all the support the kid needs.

Your arms will get sore, your chest will feel tight, and you'll be lucky if you can even write next period. And all for just a quarter credit on your transcripts.

Don't worry, though, the physical education program puts you in better shape and makes you feel good about yourself.

# MIXERS ROCK RITA!

Students from all over flock to St. Rita for dances. Just about every student has gone to a Homecoming or Hawilan dance. The Student Council and Class Officers sponsor many successful mixers every year.

When it's ten degees below zero, everyone enjoys warming up at a Hawilan dance. Students flock to St. Rita for the exotic island atmosphere. The gym really heats up when "Wipe Out" is played. At Hawilan dances, students shout just as loud as they dress.

The Sophmore Class sponsored Rita's first 50's/60's dance. Some people chose to dress as greasers while others decided to just sit down and "mellow out" in their hippie attire. Either way people enjoyed the dancing and music.

There are consistently huge turnouts when it comes to attending Homecoming dances. The student body always shows up in full force to support the Homecoming teams.

No matter what the theme, Rita Men Rock & Roll to a good time!

## PRIDE IN MY RIDE

The Lone Ranger and Silver. Roy Rogers and Trigger. The Fonz and his Harley. Three of the most famous companionships between man and his mode-of-transportation. But we must not forget the Rita man and his car.

It all started sophomore year when he graduated driver's education and eventually got his license. The next step was a job for insurance and getting the car for the weekends (which was a job in itself)!

After finally talking mom and dad into letting him take the car to school, he had to fork over a whole \$3 for a student lot sticker, (cheapskates used the Sears lot). But soon, every guy in the neighborhood found out who was driving and what was once a luxury became a bus service.

No matter, though. Six or seven guys packed in a car is still better than suffocating in a crowded "big green limousine".

1. Night falls on Alpine Valley. 2. Chris Sokolowski and friend sit back and enjoy the ride. 3. Rita men ride the lift to the top.

1. Dan Frost skis Hawaiian. 2. John Turcich, Ron Stout, and John Buhle get ready to terrorize the slopes. 3. Scott Edling and Ken Nunkovich warm up between runs at Wilmor Lodge. 4. Rita men try night skiing at Wilmor Mountain.

## A FAMILY AT MASS

St. Rita has always been proud to call itself a family. So nothing shows the togetherness better than seeing the entire student body celebrating the Eucharist at mass.

Pep rallies clearly show what happens when many Rita men are gathered in one place. Then to see those same guys packed in the chapel or St. Rita church participating reverently at a whole school or class mass really shows their pride in the Christian tradition of St. Rita. The men of Rita always know there is a priest available to counsel them in religious matters. Villanova University provides a direct path to the priesthood for those St. Rita students who feel the calling to the religious life.

Daily masses are offered in the school monastery each morning and confessions are always available in the chaplain's office. Many special masses are offered to the student body on special religious days, such as Holy Days of Obligation, Ash Wednesday, All-Saints Day and many others.

# KNIGHTS OF AUGUSTINE

The Knights were re-organized this year under the direction of Br. John Newton. The first year back in operation saw them assist in many civic and school functions throughout the year. With more student involvement assured in the next few years, the K of A will again be one of the top Rita organizations.

## THE RITAN

The paper has again finished another spectacular year at Rita with excellent writings done by several students. "The kids work long, hard hours to make the paper the best it can be," said Moderator Don Racky. In the future the paper hopes to move higher among the top 100 high school papers in the country.

## PEP CLUB

This club reached new heights this year under the guidance of Mr. Kisicki. They were recognized at almost all sporting events and showed tremendous spirit for our school. They were most noticeable probably at the St. Francis De Sales basketball game. This club continues to grow each year, trying to become the biggest in St. Rita history.

## RACQUETBALL

The Racquetball Club can only be described as a "huge success", says Moderator Jim Segredo, "The kids love to learn the game and most have quickly excelled to be very good players." Students journey to Evergreen Bath and Tennis twice a week in anticipation to learn an up and coming game in our country.

## SKI CLUB

The Ski Club under the guidance of Br. Jack Hibbard had a good year despite the warm winter in Chicago this year. "We had only a few trips but our sign-up was huge and is getting better each year." The students also designed their very own logo for the club.

## SPEECH AND DRAMA

"The creativity of the Rita students rose to the forefront this year and I personally wanted to acknowledge them", said Ms. Sally Zepeda. This revised club, under the direction of Mr. Rich Pniewski, put on two shining performances for excellent audiences in conjunction with other students from the area.

## STUDENT RECRUITMENT

Building on the reformation of last year, the Student Recruitment Committee members put in extra hours at their local grammar schools, telling them about the opportunities available for them at St. Rita High School. "The organization had tremendous cooperation from all members", explained Moderator Mr. Ed Barrett.

## BLOOD DRIVE

An article appearing in the **Chicago Sun Times** says it all about this event. The blood drive broke its own Illinois High School record of 267 pints with a total of 287 pints. Juniors and seniors who were of 17 years of age donated along with associates of St. Rita to make it a monumental event in the school's illustrious history.

## CHESS

"We're finally number 1." stated senior Luciano Gonzalez, as the Chess team won the South Section title. They also went on to do extremely well in state and national tournaments.

1. Brian Winkler prepares for the 'Hot Dog' eating contest. 2. Even Hawaiians need rest. 3. Jack Johnson imitates Fr. Sternemann at Pride Week Pep Rally.

## STUDENT GOVERNMENT

Besides the outstanding elected leaders on all four levels of government, many unelected students donated time and energy to dances and other school functions to make it the best year of activities known to most Rita faculty members. In his final year as moderator, Mr. Mike Kisicki will be sorely missed at this position.

# SPORTS

1. Varsity golfer Jack Johnson prepares to tee off. 2. Rita captains lead the Mustangs into the playoff clincher. 3. An intense Kevin Collins positions himself for the final take down. 4. A Marist Redskin is dazzled by the speed of a Mustang defender.

# NO PRE-SEASON RANKINGS FIRES UP MUSTANGS

Rita fans might have gotten a big surprise at the beginning of this season when they looked in the local newspapers. For the first time in a while, the Fighting Mustangs were not even ranked among the top 25 teams in the Chicago area.

To some people, these rankings might be important and give a sort of psychological boost, but to head coach Todd Werner, they weren't too significant. "The rankings are good to sell newspapers, but they're really fictitious."

Even though Coach Werner does feel that "as long as you win a game by one point, you're in good shape," in a few of the victories, the Mustangs thought one point just wasn't enough-especially against Kennedy (50-0), Elgin (28-14), and Mendel (33-6).

"Each team has its own identity, and you don't have to be overpowering or dominant to win," said Coach Werner. "But if you want to be considered a good team, you have to win a few games like that."

There were a couple times, though, when one-point squeakers would have been much appreciated. The 10-7 loss to Catholic League Fenwick was a bit disappointing, but it happened in the middle of the season and didn't really have much bearing on the rest of the season. Since that was Rita's only defeat at the time, a state playoff spot was easily clinched.

The real heart-breaker came at the hands of Public League Kenwood. A stunning 12-0 upset of the Catholic League South champs ended the season on an unhappy note with another match-up with rival St. Laurence just one game away.

# BASKETBALL PROGRAM

## HERE TO STAY!

"We have a nucleus that can't be broken," said Jr. guard Antoine Hicks on the season's outlook. That nucleus which consisted of Hicks, Corey Powe, Curtis Price, Steve Davis, Andre Burke, and Dave Pygon led the Runnin' Mustangs to a 20-7 season and 24th city rank.

The Mustangs finished fourth in the Catholic League with a 9-4 conference record, with center Price leading the league in rebounds (9 per game) and blocked shots (4.3 per game). In the homecoming game 1000 fans saw Pygon hit a 20 ft. jumper with 2 seconds left to beat rival DeSales 52-51.

The Mustangs also took home a co-championship from the Rockford Boylan Thanksgiving Tournament and a third place trophy from the Elgin Tournament.

"I was very pleased with our performances. We went 6-2 in our games (in the tournament) while being banged up. Next to the Proviso West Tournament, the Elgin Tournament is the best in the state," said Head Coach Jim Prunty.

In the Elgin Tournament, Price made the all-tournament team by averaging 17.5 points per game, and leading in blocked shots.

In the Regionals, the Mustangs beat Quigley 75-54, but lost to Leo in the championship 56-41.

Coach Prunty now knows the basketball program is here to stay after putting together back-to-back 20 win seasons for the first time since 1962-63.

1. Leo Watson goes up for the rebound. 2. Steve Davis finds an inside clearance. 3. Dave Pygon is patient in finding an open man. 4. Spartan center can't get enough height on Corey Short's jump shot.

## GREAT SEASON HAS UNHAPPY ENDING

Going into the 1986-87 season, the Skating Mustangs had high hopes — higher than the previous years. The graduation of all-state goalie Sean Ford (MVP of 85-86) put the pressure on junior Chris Perillo to protect the nets for a team that would have no problem putting three competitive lines on the ice on any given day.

With the bulk of those lines being filled by underclassmen (mostly juniors), Rita fans were expecting a good year and only imagining what's going to happen when those juniors became seniors.

Coach Jim Misiore had his own thoughts:

"I had three goals at the beginning of the season. One, to win the Turkey Tourney. Two to make it to the Kennedy Cup championship, and three, to make it to the state championship."

And of these three, you might say it would be a special Rita-Carmel playoff — a best of three series for bragging rights of the South side.

Two out of three's not bad.

The hockey team beat Carmel for the second year in a row in a Thanksgiving tournament winning the CCHL-sponsored tourney 4-2. They also made it to the Kennedy-Cup finals but lost to Carmel 4-2 and 4-3.

To end the 30-6-2 (14-3-1) season, Schamburg pulled off a stunning 3-2 upset in overtime in the second round of the state playoffs with another Carmel match-up only two games away.

## MUSTANGS FIND OLD WINNING WAYS

A return to winning ways — this year's cross-country Running Mustangs won their first invitational in five years at the Wright Junior College Invitational.

"Rita in the past few years has had some very good teams under former coaches Mr. Mike Kisicki and Mr. Guy Hofer. I believe that we can keep up with the competitive tradition that their teams have established," said new head coach Mr. Jerry Kohn. Coach Kohn and Mr. Brian Folker, JV coach, comprised this year's coaching staff.

This year's varsity team was led by seniors Jim Schmidt, Mark Godsel, and Mark Egan along with juniors Jim Dore, Tony Xydakis and Bob Nunez. They led Rita to an eighth-place league finish out of 11 teams in the Catholic League Championships at Montrose Park. Rita's varsity was eliminated in the state sectional meet finishing sixth of 12 teams.

The frosh-soph squad showed promise in both head-to-head matches against rivals Laurence and Rice (whom Rita beat in a dual race at Marquette Park this year), and in their invitational competition.

The sophomores were led by Jim Kilcourse, Steve Collins, and Ed Urreras. The sophomores finished fifth at Niles West and sixth place overall at the 1986 Catholic League Championships.

## MUSTANG'S DEFENSE ALLOWS FEW GOALS

DEFENSE — a word that was more common this year in terms of low-scoring games, than any year since the 1977 Catholic League Championships. This year the Kicking Mustangs allowed the least amount of high-scoring games than in recent years.

In three games, the Mustangs allowed only three goals. One in a 1-0 loss to Mt. Carmel in double overtime, two in a 2-1 loss to De La Salle and a 3-0 shut-out of Hubbard.

Head Coach Don Krystof has this to say about the Carmel game: "We played a better game than Carmel and we actually looked good, but we should have scored a goal to win the game."

"Changes were made this year because we had a lot of new players, and they accepted the changes," said Coach Krystof. "This year we had two new goalies, Dave Dudkowski and Ted Sulikowski and also new midfielders and strikers."

Coach Krystof also liked the way the offense worked. "They were faster and stronger and also had better endurance." Captain Steve Gremer scored most of the goals for Rita this year and led the team in all-round talent. Also, Edgar Morales and Pete Sarolas had good offensive games for the Mustangs.

## NEW COACH LAYS FUTURE GROUNDWORK

Ending a successful year under new coach Mr. Jerry Browne, the Swinging Mustangs have laid the groundwork towards an even more successful future.

Coach Browne, who replaced coach Jim Prunty at the start of the '87 season says, "Coach Prunty has built the program to what it is today. Through Coach Prunty's efforts, I feel we are very competitive with the teams we play against."

The varsity Swinging Mustangs were led by the excellent play of Scott Vrbancic who placed sixth in the Peotone Invitational.

Experience from juniors Jack Johnson, and Ray Kosiek proved helpful to the successful varsity season as did excellent golfing from sophomore Rich Josepher.

The junior varsity team was very solid this year and proves to be an up and coming team with sophomores Dave Niklewicz and Joe O'Malley, and from freshmen Mark Hacker, Dennis Gallagher, Fred Pujdak, Tim Graham and Chris Noga.

The Swinging Mustangs finished seventh in the Catholic League and took the first steps towards becoming a championship contender.

## COACH IMPRESSED BY .697 SEASON

"I was very surprised at the season's outcome. I was hoping to go at least .500, but we finished 23-10," said bowling coach Ron Nowak.

The Striking Mustangs won the Catholic League South Section title for the second year in a row by edging Rice in two of three games in the last match of the season.

The city championship's proved to be a bit of a heart-breaker as Rita lost by three pins to champion Loyola. The loss led to a match-up against Rice for third place. Beating Rice in Catholic League action carried over as the Mustangs trounced the Crusaders by 250 pins.

## RECRUITING BRINGS HOPE FOR THE FUTURE

After posting a 4-11-1 record, the best in its three-year existence, Rita's Fighting Mustang wrestling team is looking to the future — mostly in the area of tournaments and recruiting.

"We could draw a lot of attention to our program but only if Rita has grammar school tournaments," said Coach Jack Ferraro.

"I visited many grammar school tournaments but recruiting these kids is tough because schools with established programs (like Marist and St. Laurence) are recruiting them also. As our program gets better and more experienced, we might be able to get those kids to come to our tournaments."

Coach Ferraro has liked what he's seen this year because "our best wrestler was junior Leo Harmon." He led the team with 13 wins and nine falls. Also, sophomore Kevin Collins placed second at the sophomore championship for Rita.

At the Catholic League Championships, the Mustangs placed ninth of 12 teams. In the regionals, Rita finished 12th despite a fourth place finish for senior Ed Andruskiewicz.

Next year, Coach Ferraro is looking forward to beating teams like "Leo, Weber, Gordon, Rice, and DeSales. Winning good matches will show how our team has improved."

## SEASON ANSWERS QUESTION

Three pitchers who contributed 29 of the 33 wins last year graduated. The team's best pitcher was to be a guy recovering from an Achilles tendon injury. Only two players who started last year returned. There is a new coach.

These were the main things that were on the minds of this year's Swingin' Mustangs. Bobby Wirtz, Pete Pfeiffer, and Chris Howicz left a pitching staff that would be questionable. Don Losso tore his tendon in a car accident last year and missed most of the season. The only returning starters were second baseman Dave Hyerczyk and shortstop Tom Michalak, and Coach Jim Prunty began his rookie season as skipper after nine years of being assistant coach under Mike Moyzis.

Pitching was the main concern and especially Losso's health. "He could have been our number two or three pitcher last year," said Coach Prunty, "so he's no surprise this year."

One surprise this year, though, was bringing up sophomore leftie Marty Lacny and putting him on the mound. He compiled a record at presstime and "has got to be the premier sophomore pitcher in the state," said Coach Prunty. "He shows poise and maturity on the mound — that impresses me."

At deadline, the Mustangs were taking their Catholic North title and 30-3 record to the State Championships.

# LAST PLACE OUT OF THE QUESTION

At the beginning of the season, first-year track coach Jim Angsten made a promise that the team would not finish in last place when the Catholic League Championships rolled around. He does admit, though, that the talent is thin for Rira.

"We don't have the talent to win (in the championships) but we definately won't finish last," he said.

This year was a big year for the Running Mustangs. They did something that hasn't been done in two years. At the Norte Dame relays, Rira won the overall meet, sharing the championship with St. Viator.

The 70 member squad won the distance medley and the 400 meter high hurdles scoring 41 points.

"We have a good blend of athletes and lots of underclassmen which means we'll be competitive next year as long as the talented athletes keep coming out," said coach Angsten.

Another moment that highlighted the track season was when Tim Olsen, Mike Griggs, Reggie Smith, and Al Caudillo set a new school record for the one-mile relay with a time of 3:26.4.

The future success of the track team depends on getting a coach who thinks track is the greatest sport, according to coach Angsten. "We've not had a track coach who has been coach for more than two years."

1. Senior Mark Godsel out in front. 2. Gil Calderon finds a soft landing in the pit. 3. Gil Calderon takes the lead after a good exchange.

## NEW COACH INSPIRES TEAM

Good blends of upper and underclassmen helped Rita's varsity swingin' Mustangs get into the swing of things.

The year has been marked by a new coach, Mr. Jerry Schmitt and new uniforms. "He's very supportive and helpful, like former coach Fr. Walter McNicholas," said John Harrison, doubles player.

"He got us new uniforms and entered us in some tournaments."

The team was also ranked third by the *Southtown Economist*.

"We didn't start the year off very well. We lost to Fenwick by forfeit, and we could have won that one," said Harrison.

The team included Frank Lopez at first singles, senior Brian Donchez at second singles, and senior Marty Melody at third singles.

Senior John Harrison, Juniors Keith Lodor, Mike LaCour, Jeff Bagdon and sophomore Jason Schlender made up the doubles team.

After losing to Fenwick, the Mustangs beat Weber 4-1 and Hales 5-0 but lost to Catholic League leaders Loyola and Rice 5-0. They bounced back, however, to beat Nazareth 5-0 for a 3-3 overall record.

## NEW COMPUTERS!

The Micro-Computer Center took a giant step into the future with the purchase of 20 new Tandy 1000SX computers. The new computers replace the old VIC-20 models that were becoming obsolete. The new computers allow the teaching of programming languages and business techniques so valuable in the business world. Ten of the new computers have been equipped with the Track-Star Board, which allows them to use Apple software as well as IBM and IBM Compatible software. In use, this allows one computer to function as two.
